6. In general, we have paper cups, but we encourage you to bring your own mug/cup.
7. On Friday evening, we will have a **beer truck**. If you want to drink beer, it is better to leave your car in your Hotel.
8. Due to ongoing construction at the underground parking lot of National Changhua University of Education, there may be insufficient parking spaces in the university and the underground parking lot if you arrive after 10 AM on Friday. Additionally, there will be a welcome dinner that evening, where beverages that impair driving ability will be served. It is strongly recommended that you arrive early in Changhua that day, park your vehicle near the hotel, and then take a taxi or bus to the university. After the dinner, you can return to the hotel. For more information on parking, please refer to the information [here](#).
